Scripture | Romans 5

Ice Breaker |

1. What words do you think people overuse and are tired of hearing?
2. Are there any words that sometimes you hear but are unsure what they mean?

Going Deeper |

1. Is there anything that stood out to you from Sunday's message, or do you have any questions?
2. When you hear the word sin, what comes to mind? How would you define it?
3. Is sin or sinning something you think about/are worried about?
4. Read Romans 5:1-21
5. As you read this section, what are some ways Paul describes sin?
6. What is the problem with sin according to Paul?
7. What is sin's solution?
8. In this week's message, Rob spoke about different words for sin and different meanings. What can you remember from it?
9. What is the significance of sin, meaning to miss the mark? What mark has been missed?
10. How is sin more than just something terrible you do?
11. Paul uses the term reign three times in verses 12-17. What are the differences between the types of "reign." Who is reigning, and what does it look like?
12. Think about an area of your life, your community or the world that demonstrates the brokenness of sin. What would that area look like if there was a "reign of grace" instead of a reign of death?
13. Spend some time praying about the area you identified together. Paul tells us that those who have received membership in the covenant will reign in life. Pray that you will reign in life in this area of the community or world.
